

Homework for Friday July 10th

1) Watch the Videos JBR in Module 3C:

- [Video - Rabinowitch and Bagley Corrections \(10:25\)](#)
- [Video - Rheometry and Oscillatory Rheometry \(35:35\)](#)

2) Answer the Questionnaires (Module 3C)

- [Questionnaire 1- Parallel Plate Rheometry.docx](#)
- [Questionnaire 2- Oscillatory Rheometry.docx](#)

You don't need to upload the answers. Answering them is for your own convenience.

3) By 12:00 hrs on July 10TH, you should have had written in both the Class Journal and in your Personal Space:

- What you learned
- What applications you foresee to your learning.
- Questions/Doubts you might have.
